

APPENDIX: PRINCIPLES OF MULTICULTURALISM

Principle 1

All individuals in New South Wales should have the greatest possible opportunity to contribute to, and participate in, all aspects of public life in which they may legally participate.

Principle 2

All individuals and institutions should respect and make provision for the culture, language and religion of others within an Australian legal and institutional framework where English is the common language.

Principle 3

All individuals should have the greatest possible opportunity to make use of and participate in relevant activities and programs provided or administered by the Government of New South Wales.

Principle 4

All institutions of New South Wales should recognise the linguistic and cultural assets in the population of New South Wales as a valuable resource and promote this resource to maximise the development of the State.
